Subject: Followup on Riverton Wy meeting

As you are both aware, there has been much concern and questions associated with the recent Pavillion Public Meeting in Riverton, WY. The Agency has been receiving requests for clarification. If you receive any requests, you are not to discuss this with anyone outside of ORD management, including EPA management officials from outside ORD and the press. If you are contacted by anyone seeking information, you are not to respond to them but instead forward their inquiry to me. If you have already spoken with anyone about the meeting contact me immediately so we can discuss.

If you have any questions, please let me know.
 Cindy
